Agent-Courier LLC is a leading courier transport company dedicated to providing reliable, efficient, and cost-effective delivery solutions. With years of industry experience and a commitment to excellence, we serve a diverse range of clients, including individuals, businesses, and government agencies. Our comprehensive suite of services and certifications (USDOT, MC, UCR, BOC-3, TWIC, HIPAA, and Blood-borne Pathogen certified) ensures that we can meet all your courier and logistic custom needs with professionalism, precision, discretion, and transparency.

Core Competencies:

- **Express Home and Business Delivery Services:** Experts in providing rapid delivery options such as same-day, next-day, and overnight services through efficient routing and scheduling.
- **Government Contract Fulfillment:** This service meets strict requirements and regulations, including security protocols, proper labeling and documentation, and adherence to specific delivery schedules and deadlines.
- **Medical Supplies and Equipment Pickup and Delivery:** Experts in transporting medical supplies and equipment regulated by guidelines and a chain of custody for sensitive materials.
- **Dry Van Service:** A service that protects freight from the elements.

Differentiators:

- **Experienced Team:** Our team of seasoned professionals brings extensive expertise and dedication to each delivery, ensuring high-quality service.
- **Advanced Fleet:** A modern and well-maintained all-wheel drive fleet equipped with the latest technology for safe and efficient and all terrain transport.
- **Certifications and Compliance:** Licensed, TWIC card, HIPAA, and Blood-borne Pathogen certified, and insured for all types of courier transport services.
- **Advanced Tracking and Technology:** Integration of GPS and other technologies to optimize delivery routes and monitor fleet.
